

ShellClean Onces™ Visitor Gown

Personal protective equipment, or PPE, is essential for anyone working in a hazardous environment. It helps to create a barrier between the worker and potential hazards, reducing the risk of injury.

The ShellClean Onces Visitor Gown is a disposable garment that offers both comfort and protection. Featuring a front zip with protective flap and elasticated cuffs, the gown helps to prevent exposure to dangerous materials.

The precision manufacturing ensures that the gown is strong and durable, while the soft material ensures that it is comfortable to wear. As a result, the ShellClean Onces Visitor Gown is an essential piece of personal protective equipment for anyone working in a hazardous environment.
